The Village

What sets us apart...

- Secure access to the 1/3 Acre Memory Garden
- Innovative Community & Technology for Residents
 - Tovertafel (*Magic Table*) creates immersive & interactive experience
 - HUGs, a soft, weighted companion, reduces feelings of anxiety and agitation
- Accredited Memory Care Clinical staff

“It is amazing to see the benefits of this technology... It is rewarding to witness those who have a hard time with anxiety participating in games and truly enjoying themselves.
- Sarah Whitney,
Memory Care Nurse Supervisor”
